

Liberty's Fabulous Fourth Grade.
 Newsletter
 August 12-16, 2019

News from Ms. Cantrell's Room

Math: In math we will be learning to fluently add and subtract up to one million. We will also be able to identify place values and write in standard, expanded, and word form.

Tests:
 8/16/19 1's multiplication fact test. If you did not pass the 0's, you will take that.

Science: This week we will begin our study of how the Earth and sun cause observable patterns in shadows and in day and night.

Homework is due every day. In math your child should be studying flash cards for 15 minutes a night. The math problems are not due until Friday. Homework counts as 5% of their grade, but the multiplication tests on Friday will show if your child is studying effectively!

News from Mrs. Nelson's Room

RLA: Students will determine the main idea and details to support the main idea of a non-fiction text.

Social Studies: We will be reviewing colonization to help students understand the causes of the American Revolution.

Writing: Students will write in response to a writing prompt.

Be **P**repared
 Act Responsibly
 Work hard
 Show respect

Parent Conferences: Please call or email your child's homeroom teacher if you need to conference with them. We cannot conference in the morning as students are arriving and for the safety of our students our focus needs to be on them as they prepare for the day. We will be sending home a conference slip next week letting you know when your child's conference is scheduled next month.

Please return all back to school papers promptly!

Reminder: Parent Teacher Conferences are 9/12 and 10/3
No School: Labor Day 9/2/19
Progress Reports: 9/18/19

REMEMBER: ATTENDANCE MATTERS! MAKE EVERY MINUTE COUNT TOWARDS YOUR EDUCATION!
