News from Ms. Cantrell's Room

Math: In math we will be learning multiplicative comparison, 1 digit by 4 digit multiplication.

Tests:

9/20/19 6's multiplication fact test. If you did not pass the 2's, 3's, 4's or the 5's, you will take that.

9/27/19 Mid Module 2: Multiplicative Comparison, 1 digit by up to 4 digit Multiplication, and Factors and Multiples.

Science: This week we will begin learning about fossils and how they are formed.

Homework is due every day. In math your child should be studying flash cards for 15 minutes a night. The math problems are not due until Friday. Homework counts as 5% of their grade, but the multiplication tests on Friday will show if your child is studying effectively!

News from Mrs. Nelson's Room

RLA: In reading, we will focus on the elements of a story or parts of a story. We will determine the problem, solution, and setting. (IXL is great for practice at home)

Social Studies: In Social Studies, we will focus on determining the importance of the different groups to the American Revolution.

Writing: We will write a narrative based on a writing prompt. We will use evidence from another story based on the same idea.

Social Studies Common Assessment- September the 19th.
