News from Ms. Cantrell's Room

Math: In math we will focusing on refining our skills with multiplication, area and perimeter, factors and multiples and multiplicative comparison.

Tests:

10/4/19 – 8's multiplication fact test. If you did not pass the 2's, 3's, 4's, 5's, 6's or the 7's, you will take that.

10/10/19 Module 2 Common Assessment

Science: This week we will be learning about erosion and how it changes the landscape. We will learn about chemical and mechanical weathering.

Homework is due every day. In math your child should be studying flash cards for 15 minutes a night. The math problems are not due until Friday. Homework counts as 5% of their grade, but the multiplication tests on Friday will show if your child is studying effectively!

News from Mrs. Nelson's Room

RLA: This week in reading we will focus on a fictional story. We will look in depth at a character's thoughts and actions.

Social Studies: This week we will focus on the forming of the constitution.

Writing: This week we will focus on develop a narrative based on a fictional story prompt.

Homework will be nightly☺

Students should study social studies notes nightly. They have a SS notebook to use that they may bring home and return each day.
