News from Ms. Cantrell's Room

Math: In math we be learning how to divide 1 digit by 3 digit numbers using the area model.

Tests:

10/25/19 - 10's multiplication fact test. If you did not pass the 2's, 3's, 4's, 5's, 6's, 7's, 8's or the 9's, you will take that.

11/6/19 Mid module 3 Assessment

Science: This week we will be how organisms can change their environment and are affected by changes in their environment.

Homework is due every day. In math your child should be studying flash cards for 15 minutes a night. The math problems are not due until Friday. Homework counts as 5% of their grade, but the multiplication tests on Friday will show if your child is studying effectively!

News from Mrs. Nelson's Room

RLA: For the next two weeks, we will focus on the structure of a text.

Social Studies: This week, we will focus on the parts of the constitution and their purposes.

Writing: This week in writing, students will read an informational text and develop a claim or opinion. The students will write an opinion piece and support their claim with text evidence,

Homework will be nightly 😊

Students should study social studies notes nightly. They have a SS notebook to use that they may bring home and return each day.
