News from Ms. Cantrell's Room

Math: In math we will focusing on refining our skills with multiplication, area and perimeter, factors and multiples and multiplicative comparison.

Tests:

10/4/19 - 9's multiplication fact test. If you did not pass the 2's, 3's, 4's, 5's, 6's, 7's, or the 8's, you will take that.

10/11/19 Module 2 Common Assessment

Science: This week we will be learning about erosion and how it changes the landscape. We will have a quiz on erosion and weathering on 10/10.

Homework is due every day. In math your child should be studying flash cards for 15 minutes a night. The math problems are not due until Friday. Homework counts as 5% of their grade, but the multiplication tests on Friday will show if your child is studying effectively!

News from Mrs. Nelson's Room

RLA: This week, we will focus on how an author uses reasons and evidence to support a particular point in the text.

Social Studies: This week, we will focus on the parts of the constitution and their purposes.

Writing: This week, we will write our final copy of our narrative.

Homework will be nightly 😊

Students should study social studies notes nightly. They have a SS notebook to use that they may bring home and return each day.
